

REAL TIME BENEFITS INVESTIGATION

- ✓ Patient-Specific Benefit Insights
- ✓ Real-Time Decision Support
- ✓ Direct Access to Benefit & Cost Information

PROVIDING INTELLIGENT ANALYSIS AND VERIFICATION OF COMMERCIAL INSURANCE BENEFITS

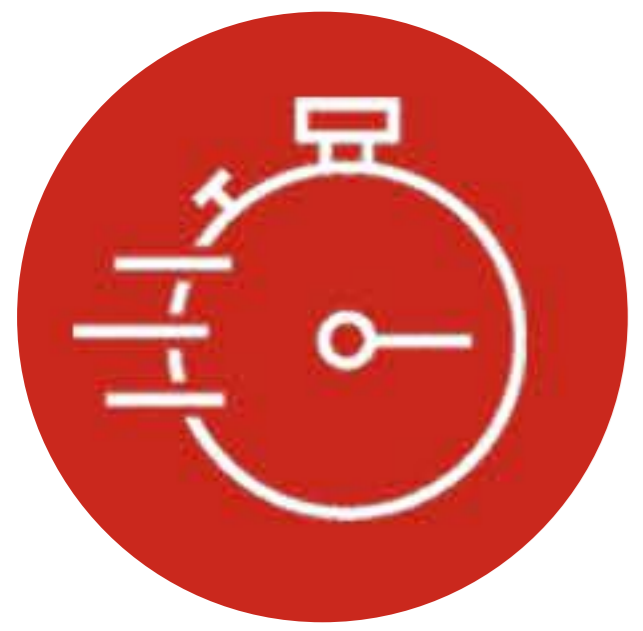

HOLISTIC IDENTIFICATION

Direct system connection to virtually every health plan and pharmacy in the country provides complete insights on drug price, true-out-of-pocket, coinsurance, and deductibles.

COMPLIANT WITH CMS REGULATIONS

In accordance with CMS, Medicare Part D sponsors must make formulary information available electronically. A direct system connection to this information provides instant benefit and cost information.

REAL-TIME PROCESSING

Integrated, real-time decision support within the provider & pharmacy workflow.

MODEL ACCURACY

Guaranteed accuracy to improve patient access to prescriptions, programs, and quality of formulary tiers and benefit data.

SECURE PLATFORM

RTBI is secured and certified to strict defense standards and is a HIPAA, HITECH and NIST compliant platform.

WHY RTBI?

RTBI provides holistic, industry-leading access to commercial Health Plans and Pharmacy Benefits information. Instant, sub-second queries combine real-time insights on formulary, True-out-of-pocket (TrOOP), prescription drug price, copay amount, co-insurance, and deductible remaining stop-loss to deliver the most accurate benefit verification.

With a direct system connection, RTBI delivers patient-specific benefit and cost information at the point of care or enrollment for verified, seamless, uninterrupted, and actionable results.

About EagleForce Health

EagleForce Health's pedigree was established within the Intelligence, Defense, and Homeland Security sectors and is recognized as a leading technology solutions company. Our expertise provides a broad range of eligible systems development. Our evidence-based eligibility & real-time monitoring systems have been deployed to solve some of the biggest technology challenges in the world including direct support to pharmaceutical manufacturers and pharmacies, specific to the Federal Anti-Kickback Statute.
